Spring 2010

Carter Machinery

Experience The **PowerBuy** Advantage

We know your time is valuable. We also know it takes a lot of tools and supplies to run your business. And, you expect the same quality and value from these purchases as you do from your equipment. Carter Machinery can give you an advantage.

One Stop Convenience

We're in the process of outfitting our Cat Rental Store locations with common tools, supplies and small equipment used by contractors. Need a harness for the boom lift you're renting or a blade for your cutoff saw? No problem.

Local Store Delivery

If an item isn't in stock, we can usually get it from another store quickly using the same network you've come to rely on for your Cat parts.

Let Us Source It

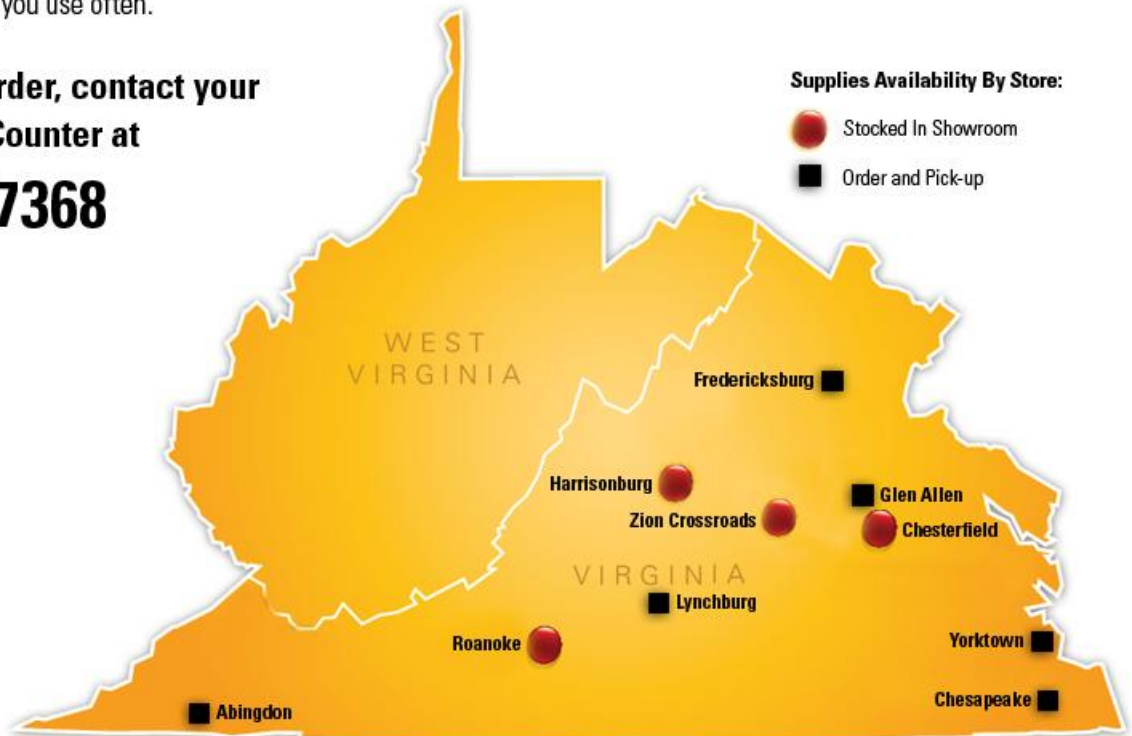

Looking for something specific? With our extensive supplier connections, we can find it quickly and use our considerable buying power to get you the best price. We can even stock it at your local store if it's an item you use often.

To place an order, contact your
local Rental Counter at
