WELCOME AND TOUR

To learn more about the features, select **"Tour SIS2GO."**

1

2 Or, if you prefer to get started right away, select **"Add Equipment"** to access Cat Parts and Operation and Maintenance Manual (OMM) information.

NOTE: Within SIS2GO, access to parts and OMM information is available at no charge. Affordable subscription options are offered for access to Cat service manual information.

ADD EQUIPMENT

- (1) Select **"Add Equipment"** to get started.
- 2 Enter your equipment's serial number, equipment name (optional), and then select the **"Add Equipment"** button. The **"Product Family"** and **"Sales Model"** fields will auto-populate.
- (3) Parts and OMM information will automatically start downloading to your device. You will receive a notification when the downloads are ready.
- 4 To check the progress, select the **"Downloads"** icon.

DOWNLOADS

- Select the "Downloads" icon to access the serial number prefixes. The green checkmark indicates that the parts, OMM and service (if subscribed) information has been downloaded.
- (2) This button provides additional download options:
 - + Click "Check for Update" while online for the most up-to-date information.
 - + Click "More Details" for additional download information.
 - + Click "Delete" to remove the download from your device.

NOTE: The app may be used while the downloads are in progress.

HOME

(1) Select the **"Home Screen"** icon to view your added equipment, subscription and payment status.

(2) The color of the **"Subscription Status"** icon indicates the status of your subscription request.

- Not Sent
- Pending Review
- Approved
- (3) The color of the **"Subscription Payment Status"** icon indicates the status of your subscription payment.
 - Subscription not active
 - Subscription active
- 4 To upgrade, downgrade or cancel your subscription, click the **"Manage Subscription"** button, which navigates you directly to app stores.

NOTIFICATIONS

(1)

Select the **"Notifications"** icon to view messages or alerts. These may include updates such as:

- + "Downloaded Successfully"
- + "Update Available"
- + "Successfully Validated"
- + "Shopping Cart Changes"
- + "Subscription Active"
- + "Subscription Expired"

PARTS INFORMATION

 $(1)^{-1}$

To view parts information, select the "Home" icon.

- (2) Then, click on your Cat equipment serial number.
- 3 Select **"Individual Parts"** to access parts information for your selected serial number. The parts information is categorized by systems and components. You can access the component information and breakdown.
- 4 You can also quickly add parts to the shopping cart to purchase directly from your Cat dealer. For assistance, refer to <u>parts.cat.com</u>.
- 5 For access to the Cat service manual information for your equipment, request a SIS2GO subscription within the app.
